Incident Summary: On March 14, 2022 officers were called to the 1700 block of E. Maynard Ave on shots fired into a residence. Officers arrived and reported that a vehicle parked on the street was also struck. Shot Spotter registered 11 shots. Detectives responded and attempted to interview one individual, who was inside the house at the time of the shooting. This individual refused to speak with detectives at this time, but was not injured. Two additional individuals were reported to be inside the residence at the time of the shooting, but left prior to officers arrival at the scene. No one reported injuries to police and no visible signs of injury were found outside. Detectives photographed the area and shell casing were collected and turned into the property room for labs. The residence was struck three times. It appeared upon initial investigation that the garage was struck by return fire from the back yard, however no casing were recovered in the yard. Casings were recovered from the alley to the east of the house, as well as in front of the residence. Additional investigation points to shots fired at the house and return fire from the house at the shooter.

Anyone with information regarding this incident is asked to contact Columbus Police Burglary Detective Carsey #1888 at 614-645-2063 or central Ohio Crime Stoppers at 614-461-TIPS(8477). You may remain anonymous.
